THE HEIGHTS HIGHLIGHTS

Achieving Success Promoting Individual
Responsibility and Excellence

8st July 2016 – Issue 76

Dear Parents and Carers

Thank you so much for joining us at our Sports Day this morning and for all your help and support, before, during and after the event. I hope you had as much fun as the children and staff and I'm sure you will agree that all the children were fabulous athletes! In particular, I would like to thank Chris Ellison for warming up the children and Tom Crisford for helping us borrow two huge gazebos from Shiplake College and massive thanks must also go to St Anne's for kindly letting us use their field and pavilion once again. And now for the results..... Please scroll to the bottom of the page....!!!

Reception

This week we have continued to find out about Minibeasts and found some amazing beetles, millipedes, woodlice, moths and caterpillars. We've finished our Eric Carle inspired artwork and can't wait to show you it next Tuesday 12th July at our exhibition afternoon between 3.30 and 4.30pm.

Year 1

This week in Year 1 we have been VERY busy with our amazing animals topic...we don't want to reveal too much, so please come in on Tuesday from 3 - 4p.m. to see what we have been doing! We can't wait for our trip to Marwell Zoo a week today.

Year 2

We've been marvellous mathematicians this week and have been cracking codes to solve problems. As we said last week we've been learning our favourite poems off by heart and are looking forward to performing them to different audiences. We have been finishing off our River Thames artwork which you will be able to see on Tuesday afternoon and had an amazing time at Sports Day.

Parent Class Reps

I would like to say a big thank you to all the Class Reps for their time and support this year. We had our final meeting of the year this week and you should receive the minutes from Richard Hepwood - thanks Richard.

Exhibition Day

You are all warmly invited to our Exhibition afternoon this coming Tuesday 14th July between 3.30 and 4.30pm. Please don't stop at your child's class but continue on through the school to see the fabulous work of all the children.
