# THE HEIGHTS HIGHLIGHTS

Achieving Success Promoting Individual  
Responsibility and Excellence

9<sup>th</sup> September 2016 – Issue 79

Dear Parents and Carers

A very warm welcome to you all at the start of our third year. We have been so excited to see all the children come back after the summer. I can't believe how much they've grown!! Whatever they've been eating, can I have some please?!

It has been lovely to welcome our new Reception children and their parents to our special community. We're looking forward to getting to know you all over the coming weeks.

I'd also like to extend a special welcome to GeWei and his family who have joined us in Year 3 and Usher who started in Miss Parker-Fraser's Year 1 class.

It's going to be another wonderful, fun-packed year full of rich learning experiences and I mean that for the pupils, staff and hopefully you as parents too!

Please look out for an overview of your child's curriculum for this term and a newsletter from their class teacher next week. You will also receive a weekly overview via email every Monday. We hope that this will help keep you informed of what the children may be doing each week.

## **Celebration Assembly**

We held our first celebration assembly of the year this afternoon. Our theme and focus this week has been 'Be the best version of you' and we've linked this to the Olympics and Paralympics. The children were enthralled when watching the 'We're Superhuman' trailer for the Paralympics. It's truly inspirational. If you haven't yet had the chance to see it you can find it on YouTube.

The new Reception children will join us in Celebration Assemblies for the first time from Friday 23<sup>rd</sup> September. As our numbers increase every year I'm afraid this means we won't have the space to welcome quite as many parents as we used to and all buggies will need to be left outside. Thank you for your understanding and support with this.

## **Jeans for Genes Day**

On Friday 23<sup>rd</sup> September we will be participating in Jeans for Genes Day, a charity which works to raise funds for a range of initiatives that improve the lives of children affected by a genetic disorder.

All children can come into school wearing denim jeans, shorts or a skirt alongside their normal school uniform shirt/blouse/tie. Participating in this is optional and children should not feel that they have to wear denim.

A voluntary contribution of £1.00 is suggested which will be sent directly to the charity.

### CHRISTMAS FAYRE PREPARATIONS

Now that the children are back at school and things like Strictly are back on the TV, thoughts inevitably turn to Christmas, and here at The Heights we are on the case! The ever-helpful Hepwards (Sue and Richard – parents of Scarlett Yr 2 and Amelie Reception) have volunteered to run the show this year and they need your help to support with planning, preparation and help on the day. Read your class rep emails for more details on how to get involved, or if you're on Facebook, updates will be posted via the Heights parents page: [www.facebook.com/groups/1407222486224097/](http://www.facebook.com/groups/1407222486224097/)

### SUMMER HOLIDAY FUNDRAISING – THANK YOU!!

Not content with putting their feet up over the summer break, our fantastic team continued the fundraising with two excellent money-raising ideas to benefit both children and adults! Chris and Annie Ellison (Performance Cricket) ran a series of really popular Little Cricketers summer sessions, exclusively for the Heights children, and raised £700 from donations for attendance. Hugely generous and much appreciated lovely Ellison family! Davina and Steve Buchanan raised an equally impressive £525 with their Decanter Wine club offer for Heights parents, and kept us all well-stocked with vino over the summer break. Again HUGELY appreciated! Thanks to all who supported them!
