Approximately 10 minutes every day. Please record how they are getting on in their Reading communication diary.

You can also help your child with their learning this week by..... *practising counting in 2's to 20*

### **Parent and child challenge for the term!**

*Can you help your child to make a daisy chain as tall as themselves? Now try making a chain this length using the fewest number of daisies. Photograph what you have done and work with your child to display their results in a way they can show us as 'Show and Tell'. Have fun.*

If you have any questions about how to help your child with their learning please see your child's teacher. If you would like to become more involved in school life please see the PTFA website and/or speak to your child's teacher about when/how we can accommodate you. We are always looking at ways to include our parent's in school life.

Please ensure your child has a coat as well as a sun hat in school every day to allow for our very changeable British weather, thank you.

Best wishes

The Reception Team

NB: Mrs Rizvi's class needs some metal cans for musical instrument making (all sizes). If you have any we would be very grateful to have them.
