

The Heights Primary School

Reception Parent Planner: Summer 1 Week 6

Dear Parents/Carers

This term our theme is: **Animals**

This week our theme is: **Pets**

Phonics this week: **revise all digraphs/tricky words** Learn how to blend and read CVCC (4 sound) words

Our numbers this week are: **20-100 (or more), counting in 2's, 5's, 10's**

This week we will be covering the following in our seven areas of learning:

Communication and Language	Take on roles, and speak in role in the indoor and outdoor learning environments. Show and tell - my pet. Listen and respond to what others say
Personal Social and Emotional Development	Explore what to do if you fall out with a friend
Physical Development	Multi-skills PE session. Athletics: hurdles. Dough Disco and Finger Gym,
Literacy	Write in role-play using writing frames provided. Guided reading. Write/make our own lift-the-flap book inspired by "Dear Zoo". Read and spell polysyllabic words
Mathematics	Revise counting in 2's, 5's, 10's and use this to solve problems. Learn and understand how to read and write numbers to 100
Expressive Arts and Design	Collage/mixed media pet pictures. Study the work of Piet Mondrian and use it to inspire our own art pieces Pantomimus Music session
Understanding the World	Investigate weather and keep a weather diary for class. Find out more about pets using Cbeebies website. Gardening - planting vegetables and herbs

Please support your child by encouraging them to practise saying the **NAME** as well as the **SOUND** of the letters in their phonics book, reading words on their blending cards and helping them to explore and read their school reading book. Approximately 10 minutes every day. Please record how they are getting on in their Reading communication diary.

You can also help your child with their learning this week by..... *practising counting in 2's, 10s, 5's*

Parent and child challenge for the term!

Can you help your child to make a daisy chain as tall as themselves? How many daisies did you use? Now try making a chain this length using the fewest number of daisies. Photograph what you have done and work with your child to display their results in a way they can show us as 'Show and Tell'. Have fun.

If you have any questions about how to help your child with their learning please see your child's teacher. If you would like to become more involved in school life please see the PTFA website and/or speak to your child's teacher about when/how we can accommodate you. We are always looking at ways to include our parent's in school life.

Please ensure your child has a coat as well as a sun hat in school every day to allow for our very changeable British weather, thank you.

Best wishes

The Reception Team

NB: Mrs Rizvi's class needs some metal cans for musical instrument making (all sizes). If you have any we would be very grateful to have them.
