

The Heights Primary School

Key Stage One Parent Planner: Summer 2 Week 3

Dear Parents/Carers,

This term our theme is: **Messing About On The River**

This week we will be:

English	This week we will be writing our very own adventure stories. We start off by examining illustrations from the extended Wind and the Willows story. We will use our imaginations to act like our favourite characters. Then we will create story maps planning the new adventures of Toad and his friends. By the end of the week will be writing our stories.
Mathematics	This week will be solving a range of mathematical problems. We will be using a range of resources to measure. Then we will find fractions of these measures. We will focus on finding thirds and three quarters. We will also use the mathematical symbols $<$ and $>$ to compare measures.
Topic	This week we will be discussing our favourite places to visit in the local community. We will look at maps of Caversham and learn about the River Thames. We will look at famous pieces of art depicting the River Thames and will use these as inspiration to create our own artwork.

Please support your child by encouraging them to read every night. It is extremely important to ask them lots of questions and ensure they understand the meaning of unfamiliar words.

Your child will complete a spelling task every Monday. Please help your child to learn these spellings. It is beneficial for children to put their spelling words into sentences.

If your child is on the 'Cracking Times Tables' programme they will have their test on Monday. Your child will know which times tables they need to focus on for the test.

If you have any questions about how to help your child with their learning please see your child's teacher. If you would like to become more involved in school life please see the PTFA website and/or speak to your child's teacher about when/how we can accommodate you.

Best wishes,
The KSI Team
