

## The Heights Primary School

### Key Stage One Parent Planner: Summer 2 Week 5

Dear Parents/Carers,

This term our theme is: **Messing About On The River**

This week we will be:

English	This week we will continue to read a range of poems all about rivers. We will be reading poems and exploring the language used in them. We will be learning our favourite poems off by heart and will be performing them with expression.
Mathematics	This week will be completing a range of problem solving investigations. We will be reading clocks and sorting them in different ways. We will be cracking codes to solve problems. We will be solving problems involving measures.
Topic	Everyone in Year 2 is very excited about Sports Day on Friday. We will be having additional sports sessions throughout the week to ensure that we all ready for each event. Therefore please can we have children's PE kits in school every day this week. We will make sure that children bring their PE kits home on Thursday so that they can come to school wearing them on Friday morning. In creative curriculum sessions we will be finishing off our fabulous River Thames artwork. We will be continuing to sing a range of river songs and will continue to play the recorder. We are also going to be deepening our understanding of world religions but exploring the Jewish festival of Passover. We will

Please support your child by encouraging them to read every night. It is extremely important to ask them lots of questions and ensure they understand the meaning of unfamiliar words.

Your child will complete a spelling task every Monday. Please help your child to learn these spellings. It is beneficial for children to put their spelling words into sentences.

If your child is on the 'Cracking Times Tables' programme they will have their test on Monday. Your child will know which times tables they need to focus on for the test.

If you have any questions about how to help your child with their learning please see your child's teacher. If you would like to become more involved in school life please see the PTFA website and/or speak to your child's teacher about when/how we can accommodate you.

Best wishes,  
The KS1 Team
