

## The Heights Primary School

### Key Stage One Parent Planner: Summer 2 Week 7

Dear Parents/Carers,

This term our theme is: **Messing About On The River**

This week we will be:

English	<p>This week we will be writing journals about our time together in Year 2. We will be thinking back to all of the fun learning that we have done together and writing them up as a keepsake.</p> <p>During the summer holidays the library service sets reading challenges for children. This year is the Big Friendly Read Challenge 2016. Visit the following website to find out more about this fantastic reading challenge. <a href="http://www.summerreadingchallenge.org.uk/">www.summerreadingchallenge.org.uk/</a></p>
Mathematics	<p>This week will continue to explore open ended maths problems. We will be exploring number and shape. The children are discovering that the process of investigating problems is as invaluable a learning experience as actually finding the solution.</p>
Topic	<p>Wow- I can't quite believe that we have come to the end of our time together in Year 2. This week we will reflecting upon our learning journey together and celebrating everyone's many successes. There will also be plenty of time for us to make some more special memories! We have Water Day this week which will be very exciting. We also have the End of Year Assembly on Friday morning. Please join us to celebrate as the children in Year 2 graduate Key Stage One. Keep the tissues handy- and that's just for me!</p>

I would like to take this opportunity to thank each and every parent for their support this year. I feel very lucky to be part of such an incredible community and your encouragement and enthusiasm is quite overwhelming. I would like to thank you for investing so much in your child's learning. You have listened to your child read, practised their spellings and supported their mental maths. I know this isn't always easy in such busy times and I am grateful for your help.

The Year 2 cohort are a very special group of children. I hope that you can see from their reports just how well they have done this year. It has been a privilege to be their teacher and I will miss teaching them terribly.

I hope that you have a wonderful summer together with your families.

Best wishes,  
Mrs Mullaney
