

## The Heights Primary School

### Key Stage Two Parent Planner: Autumn 1 Week 3

Dear Parents/Carers,

This term our theme is: **Fantastic Pharaohs**

This week we will be:

English	This week we will be starting our unit on Fables. We will be reading lots of different animal based fables and identifying the key themes and features. We will use story maps to help us understand the structure of the stories and we will be looking at the character traits of the different animals.
Mathematics	We will continue to look at different strategies for addition. This week we will begin to add two three digit numbers using the expanded column method for addition. We will be using our place value knowledge to support this.
Topic	In topic this week we will be learning about how the Ancient Egyptians communicated using Hieroglyphs. We will be interpreting hieroglyphics and creating our own. In art, we will be creating our own Egyptian style portraits and in RE we will be learning about the 5 pillars of Islam and thinking about our own 5 pillars.

Please support your child by encouraging them to read every night. It is extremely important to ask them lots of questions and ensure they understand the meaning of unfamiliar words.

We are also all working on our cracking times tables at our own level. Please continue to support your child in learning their times tables.

Best wishes,

Mrs Sanigar and Mrs Wells
