

## The Heights Primary School

### Key Stage Two Parent Planner: Autumn 1 Week 6

Dear Parents/Carers,

This term our theme is: **Fantastic Pharaohs**

This week we will be:

English	This week the children will be finishing and presenting their fables. We will also have a focus on spelling and grammar skills.
Mathematics	We will be doing some times table practise and maths games, as well as some further word problems for addition and subtraction.
Topic	In topic this week we are very excited to have an Egyptian Dance Workshop! We will take lots of photos to share them with you.

We would like to remind everyone to bring warm clothes for PE as the weather is starting to cool down. This includes plain navy tracksuit bottoms and jumper. Spare socks are also useful especially as feet can become damp when PE takes place outside.

Finally, we hope you have a lovely half term! We have thoroughly enjoyed our first half term at The Heights and are looking forward to the run up to Christmas!

Best wishes,

Mrs Sanigar and Mrs Wells
