

## The Heights Primary School

### Key Stage One Parent Planner: Autumn 1 Week 7

Dear Parents/Carers

This term our theme is: **Fire! Fire!**

This week we will be:

English	This week we will be carrying some phonics assessments as well as spelling, grammar and punctuation tasks. We will also be continuing to practise our pre-cursive letter formation.
Mathematics	In Maths we will be focussing on 2d and 3d shape recognition and will be creating shape monsters. The children will need to identify the shapes they have used and talk about their properties. We will also work on recognising 3d shapes and will introduce the appropriate mathematical vocabulary: edges, vertices and faces.
Topic	The children will be designing a Tudor house, which they will create as a 3d model (using wood and a selection of tools!). In Geography we will explore the capital cities of the United Kingdom and learn to locate these on a map.

What a busy half-term. We are thrilled with our new classes and are proud of the progress the children have made over the past 7 weeks...next term promises lots of fun, excitement, GLITTER and SPARKLES...watch this space! We hope the children have a restful and well deserved week off 😊.

Spellings - Thank you with all of your efforts with the spellings your child brings home. Please do ensure they practise in a variety of ways. If you have any queries please do ask - we are happy to help.

Reading - The children are making good progress with their reading. Please remember to ask them lots of questions about what they have read to ensure they are developing excellent comprehension skills.

Coats - Please can you ensure you send your child in with a coat every day. Despite the glorious sunshine we enjoy the temperature is dropping and it will obviously become colder after half-term.

The Year 1 Team 😊
