

The Heights Primary School
Key Stage Two Parent Planner: Autumn 2 Week 3

Dear Parents/Carers,

This term our theme is: **Fantastic Pharaohs**

This week we will be:

| | |
|-------------|--|
| English | This week we will be creating our information leaflets for our time traveller friends in Ancient Egypt! The children will be planning their reports and writing them later in the week ready to send back through the time portal! |
| Mathematics | In maths we will be focussing on division. We will be emphasising division by grouping rather than sharing and will begin using a vertical number line to show division using repeated subtraction. We will look at remainders and look to solve some word problems. |
| Topic | This week we will be learning all about the process of mummification! The children will learn how it was done, how long it took and why the Ancient Egyptians believed this was the best way to be buried. |

Don't forget that you can follow Year 3 on Twitter – click on the link on our webpage if you'd like to see updates!

Best wishes,

Mrs Sanigar and Mrs Wells
