

The Heights Primary School

Key Stage One Parent Planner: Autumn 2 Week 6

Dear Parents/Carers

This term our theme is *Dragons*.

This week we will be:

Assessment	This week is our assessment week so the children will be sitting grammar, spelling, reading and maths test to gauge their learning for this term and to show us what we have to teach them next term.
Mathematics	We will still have maths lessons this week and we will learning to multiply using arrays and repeated addition ($2+2+2$). In our early morning tasks we will practising using coins to make amounts up to £1.
Topic	This week in Topic we are beginning our Christmas preparations starting with learning and writing the nativity story. Later in the week we will be making our very own calendars for 2017 as well as continuing to practice our carols for our upcoming concert.

The children in Year 2 have now started the Cracking Times Tables scheme. Every Monday they will have three minutes to answer times table questions. Each child should know exactly which tables they need to practise at home during the week. Help at home with this will enable them to be successful.

Please support your child by encouraging them to read at home every night. It is extremely important to ask them lots of questions and ensure they understand the meanings of unfamiliar words. Please record this in their record books that are collected in every day.

If you have any questions about how to help your child with their learning please see your child's teacher.

Best wishes,

Miss Kennedy and Mrs Mullaney
