

## The Heights Primary School

### Key Stage One Parent Planner: Autumn 2 Week 8

Dear Parents/Carers

This term our theme is **Dragons**.

This week we will be:

Christmas	<p>This week we are celebrating all things Christmasy, from creating our own Christmas Poems to making fact files on how Christmas is celebrated around the world. We will be doing Christmas maths activities over the next couple of days including snowflake symmetry and multiplication mosaics. Later in the week we will be making our own Christmas cards home to take home and share with their families. <b>This week there will be PE on Wednesday morning with Mr Ellison.</b></p> <p><b>On behalf of year 2 we want to wish you a very merry Christmas and we thank you for all your support you have given us this year.</b></p>
-----------	---

The children in Year 2 have now started the Cracking Times Tables scheme. Every Monday they will have three minutes to answer times table questions. Each child should know exactly which tables they need to practise at home during the week. Help at home with this will enable them to be successful.

Please support your child by encouraging them to read at home every night. It is extremely important to ask them lots of questions and ensure they understand the meanings of unfamiliar words. Please record this in their record books that are collected in every day.

If you have any questions about how to help your child with their learning please see your child's teacher.

Best wishes,

Miss Kennedy and Mrs Mullaney
