

The Heights Primary School

Year One Parent Planner: Spring 1 Week 3

Dear Parents/Carers

This term our theme is: **Space**

This week we will be:

English	This week we will be writing an animal poem for a competition. We will be learning how to use adjectives to make our writing more interesting. We will also be learning about similes.
Mathematics	In Maths we will be learning about weight and using balance scales to find out which items are heavier or lighter. On Friday we will be problem solving with weight. The children will be given 5 pots and asked to find out which one is the heaviest and lightest.
Topic	In Computing this week we will be learning how to copy and paste an image of our animal for our poem. In Science we will be naming parts of a plant and tree and labelling a diagram.

Letter formation - Please encourage your children to use their pre-cursive handwriting at home as well as at school. Any extra practise at home would be extremely beneficial.

Thank you,

Miss P-F and Miss Hiles
