

## The Heights Primary School

### Year One Parent Planner: Spring 1 Week 4

Dear Parents/Carers

This term our theme is: **Space**

This week we will be:

English	This week we will be making a start on our Solar System Information Booklets. We will be finding out lots of facts about our solar system. The children will use their knowledge of fiction and non-fiction to sort through books and select a book to find space facts.
Mathematics	In Maths we will be learning how to use number lines and 100 squares to work out addition and subtraction sums. On Friday we will be solving odd and even number problems with Numicon.
Topic	In Computing we will be using the keyboard to type sentences using capital letters, finger spaces and full stops. In Science we will be recognising and naming some common British plants.

Hats, scarves and gloves - Please can we remind you all to send your children in with (labelled) hats, scarves and gloves. It's very important to keep warm in this very cold weather.

Sign2Sing - We will continue to learn our songs 'Together' and 'Reach out your hand'. All children will be performing on Wednesday 8<sup>th</sup> at 2.50pm in a special assembly to fundraise for the charity SIGNHEALTH. To see more about it go to [www.sign2sing.org.uk](http://www.sign2sing.org.uk).

Thank you,

Miss P-F and Miss Hiles
