THE HEIGHTS HIGHLIGHTS

Achieving Success Promoting Individual
Responsibility and Excellence

3rd March 2017 – Issue 101

Dear Parents and Carers,

I can't believe it's March already and beginning of Lent. The days are getting longer and the crocuses and daffodils are in bloom. Spring is definitely here!

We had SO much fun during World Book Day yesterday. The costumes that the children (and staff!) were wearing were fabulous! Thank you SO much for all your efforts drawing these together. The children really enjoyed joining St Anne's pupils for a joint workshop led by a theatre group at St Anne's School. It was great watching them interacting together.

School Disco

Thank you so much to all the parents who helped organise the Disco last Friday. The children said they had a brilliant time. Many thanks to 'Joanna' as well who ensures they always have so much fun.

Parent Consultations

Parent Consultation meetings with teachers are next Tuesday 3.45 - 5.45pm and Thursday 6.00-8.00pm. If you haven't yet booked an appointment, sign-up sheets are still available outside the school office or you can speak to a member of the office team to book an appointment for you.

Celebration Assembly Next Week

Please note that Celebration Assembly next week will be held on Thursday at 2.45pm instead of Friday.

Living Eggs

We are really excited and looking forward to receiving our Living Eggs at the end of March. We will receive an incubator, eggs and a brooder box - then we watch and wait! Please do let us know if you are able to offer homes to two or more of the hatched chicks (they have to remain in pairs or more). The others will be returned

to the farm and live a long and healthy life.

National Science Week

We are really excited about celebrating National Science Week from Monday 13th March. Every afternoon will be dedicated to practical science investigations. Watch out for more updates from Professor Fallon.

Reception

We really enjoyed World Book Day this week, and looked at the book 'Whatever Next' to help us with sequencing and retelling the story. We have chatted about our favourite book and joined in at St Anne's School for the Alice in Wonderland workshops. In Maths we have learned about 3D shapes and have been creating space paintings, collages and pictures using different tools and methods.

Year 1

We are continuing with our 'Space' topic and this week began making our papier mache 3D planets. We have written reports about our aliens and in Maths have learned how to find quarters of shapes and quantities.

Year 2

This week we have worked on our Chocolate report to focus on conjunctions to join our ideas. In Maths we have mastered column addition and subtraction. We have begun to research the Aztecs and learned about Lent with Mrs Edwards. We really enjoyed sharing a story with some of our friends in Reception and of course had lots of fun dressing up as our favourite book character for World Book Day on Thursday.

Year 3

This week we've really enjoyed having Hector but don't think we'll be getting him again next week as we've had a nasty sickness bug sweep through the class! Get well soon everyone! We enjoyed dressing up for World Book Day and sharing our books with Year 1. Hector helped with recorders, PE, super brain yoga and our Science experiment to see which rocks are waterproof.

Spotlight falls this week on...

Reception - Amelia (RSR) for graduating from Mrs Bun's Baking School, Hannah (RAO) for completing Level 1 Swimming, Forest (RSR) for completing Level 7 Gymnastics and Quinn (RSR) for completing Level 1 Swimming.

Year 1 - Oscar (1VH) for completing Level 5 Gymnastics and Rishi (1VH) for completing Level 6 Gymnastics.
