

The Heights Primary School

Key Stage One Parent Planner: Spring 2 Week 3

Dear Parents/Carers

This term our theme is *Chocolate*

This week we will be:

English	This week we are going to be planning and writing our information leaflets on the Aztecs. We will start by researching and learning all we need to know about them before planning and writing our own.
Maths	This week in maths we going to be learning about position and direction. We will be learning about moving objects in quarter turns. We will also be making sequences of numbers and objects later in the week.
Topic	We are going Aztec mad this week and as well as learning about who they were, everyday life and their food and drink we will also be designing our very own Aztec headdresses.
R.E	In RE this week we are going to be learning about who Jesus was and why he is important to Christians.
Other news	It is parents evening On Tuesday and Thursday.

The children in Year 2 have now started the Cracking Times Tables scheme. Every Monday they will have three minutes to answer times table questions. Each child should know exactly which tables they need to practise at home during the week. Help at home with this will enable them to be successful.

Please support your child by encouraging them to read at home every night. It is extremely important to ask them lots of questions and ensure they understand the meanings of unfamiliar words. Please record this in their record books that are collected in every day. If you have any questions about how to help your child with their learning please see your child's teacher.

Best wishes,

Miss Kennedy and Mrs Mullaney
