## Reception Parent Planner: Spring 2 Week 6

Dear Parents/Carers

This term our theme is: **Journeys** This week our theme is: **Spring**

Our sounds/words this week are **revise all vowel digraphs** Tricky words: **out, do**

Our numbers this week are: **20-100 (or more)**

This week we will be covering the following in our seven areas of learning:

Communication and Language	Talk about our observations of changes associated with Spring during our spring walk. Talk about our observations of the hatching chicks.
Personal Social and Emotional Development	A healthy lifestyle. Learn about the importance of hygiene and in particular hand washing.
Physical Development	Multi-skills PE session. Dough Disco and Finger Gym. Dance: The shaking puppet.
Literacy	Write captions for images depicting the lifecycle of a chicken. Write a description of changes associated with spring. Write a description of your favourite type of weather and why you like it.
Mathematics	Investigate measuring using non-standard measures eg. cubes, hands, feet
Expressive Arts and Design	Engage in a variety of "Spring" inspired art work. Start making decorated eggs to use for Easter card.
Understanding the World	Investigate spring Use class computers and IWB to complete Spring themed activities

Please support your child by practising the sounds in their phonics book, their blending cards and helping them to explore and read their school reading book every day for 5-10 minutes using the guide in their Reading communication diary.

You can also help your child with their learning this week by..... *encouraging your child to look out for and talk about changes/signs of spring.*

### **Parent and child challenge for the term!**

*Can you help your child to ... find ways to melt an ice cube. Test how long it takes to melt in a dish indoors. Then find some ways to make it melt faster. Can your child think of a way to record the results? Please do send in/email some photos of your child's ideas and their results. Have fun!*

If you have any questions about how to help your child with their learning please see your child's teacher. If you would like to become more involved in school life please see the PTFA website: and/or speak to your child's teacher about when/how we can accommodate you. We are always looking at ways to include our parent's in school life.

Best wishes

The Reception Team

NB: don't forget to try the ice-cube challenge and send us some photos/results. Only two weeks left.
