

The Heights Primary School

Key Stage Two Parent Planner: Spring 2 Week 3

Dear Parents/Carers,

This term our theme is: **Detectives**

This week we will be:

English	This week we will be writing the shape poems we planned last week. We will be looking at how to use language features to add interest for the reader. We will also be starting our new narrative unit based on a well known chapter book.
Mathematics	We will be continuing to look at multiplication and division with a focus on \times and \div by 10 and 100. We will learn what happens to digits on a place value chart and explore this in a range of ways. We will also be working with money this week, noting the place value of column.
Topic	This week we will be looking at Stonehenge and the mystery surrounding why it was built and how it was used. We will be debating different ideas put forward about why Stonehenge was built. We will also be using clay to explore how the Beaker People may have put their designs onto their pots.

We would like to thank all the Year 3 families for the effort they made for World Book Day! The children looked fantastic and had a great time dressed as various book characters!

We look forward to seeing you at parents evening this week. Please do sign up for an appointment if you haven't already done so. The clipboards are by the office where you can choose a free time slot.

Please remember to bring **recorders** again this Wednesday.

Best wishes,

Mrs Sanigar and Mrs Wells
