

The Heights Primary School  
Key Stage Two Parent Planner: Spring 2 Week 6

Dear Parents/Carers,

This term our theme is: **Detectives**

This week we will be:

English	We have been really enjoying reading Stig of the Dump and have got to know the characters quite well. This week we will be planning and writing our own chapter for our class book.
Mathematics	In maths we will be looking at strategies for addition and subtraction. We will use written methods for addition and will focus on finding the difference mentally for subtraction. We will also use these skills to solve some money problems.
Topic	We will continue to build our model of Stonehenge using nets of cuboids. This week we hope to position the blocks into a miniature Stonehenge. In DT we will use clay to create our pots.

We hope the mums liked the Mother's Day cards and enjoyed some lovely family time in the sunshine this weekend!

Please remember recorders again this week.

Best wishes,

Mrs Sanigar and Mrs Wells
