

The Heights Primary School

Year One Parent Planner: Spring 2 Week 11

Dear Parents/Carers

This term our theme is: **Space**

This week we will be:

English	This week in English we will be focussing on the book 'Aliens in Underpants Save the World'. We will be looking at rhyming words and making our own rhyming word banks to write an Alien Pants Poem.
Mathematics	In Maths we will be learning about volume and capacity. We will be exploring the difference between volume and capacity. The children will be describing volume using the vocabulary full, half full, empty, more than and less than. We will be finishing the week by completing a Problem Solving lesson on capacity.
Topic	In Science we will be looking at the experiment we started a few weeks ago to see how the seeds have changed. In RE we will be reading the parable 'The Good Samaritan' and discussing what we can learn from it.

Comic Relief - Please join us in wearing **red or your red nose** on Friday 24th March to raise money for Comic Relief.

Earth Hour - Please help us make climate change count by switching off on Saturday 25th March. Earth Hour is from 8.30pm for an hour, but if that's too late please feel free to join in at an earlier time to suit your family.

Maths at home - Please could you practise completing different turns at home with your children from a starting point. Tell your children which direction to turn (left/right/clockwise/anticlockwise) and ask them to make $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$ and whole turns.

Thank you,

Miss P-F and Miss Hiles
