

The Heights Primary School
Year 2 Parent Planner: Summer 1 Week 1

Dear Parents/Carers

This term our theme is *Pirates*.

This week we will be:

Maths	This week the children will be recapping how to tell the time including how to tell the time to the nearest half hour, quarter and to the nearest 5 minutes. We will also be looking at some time related problems for the children to solve.
Art	This week in Art we will be designing our own set of pirate underpants based on the book we will be reading in the morning (<i>Pirates love underpants</i>).
Reading	In the run up to SATS we will be focussing on reading in our normal English slot. This week we will be having fun with pirate books and using them as a stimulus to answer some comprehension questions.
PHSE	In PHSE this week we will be discussing what our lives would be like without any rules so we can understand the importance of them in our society.

The children in Year 2 have now started the Cracking Times Tables scheme. Every Monday they will have three minutes to answer times table questions. Each child should know exactly which tables they need to practise at home during the week. Help at home with this will enable them to be successful.

Please support your child by encouraging them to read at home every night. It is extremely important to ask them lots of questions and ensure they understand the meanings of unfamiliar words. Please record this in their record books that are collected in every day.

If you have any questions about how to help your child with their learning please see your child's teacher.

Best wishes,

Miss Kennedy and Mrs Mullaney
