

The Heights Primary School

Key Stage Two Parent Planner: Summer 1 Week 1

Dear Parents/Carers,

This term our theme is: **Super Structures**

This week we will be:

English	This week will be a grammar focussed week. We will revise the use of question and exclamation marks, learn about the present perfect tense and we will revise using the correct form of 'a' or 'an'.
Mathematics	We will start this term by revisiting time. We will revise how to read the time on both analogue and digital clocks and we will look at ways to calculate time intervals.
Topic	It is really exciting to be starting our new topic 'Super Structures'! This week we will be creating some display work. We will be looking at some Super Structures across the world and finding out some facts about them as well as discussing whether we have visited any Super Structures ourselves.

We would like to say a huge welcome back to everybody, especially our newest member Bea who is joining us this term. We hope that you all had a fantastic Easter break and are ready for the busy term ahead.

We look forward to seeing everyone in their summer uniforms (hopefully this will bring on the summer weather!). There is now a greater choice of non-gender specific items to choose from.

Please remember to bring recorders in on Wednesday morning.

Best wishes,

Mrs Sanigar and Mrs Wells
