

The Heights Primary School  
Year 2 Parent Planner: Summer 1 Week 5

Dear Parents/Carers

This term our theme is **Pirates**.

This week we will be:

Assessment week	This week is assessment week. During this time the children will be undertaking a variety of assessments in maths, reading, spelling and grammar. To ensure the week goes as smoothly as possible please ensure your child is at school on time and has had a nutritious breakfast. We will do our best to ensure the children feel as calm and confident on each day and will be given longer break times and snacks to help.
Topic	This week in topic we will be making our own treasure chest out of egg boxes. <b>Please could we ask all parents to donate at least one egg box</b> so we have enough for everyone. Later in the week we will be writing a set of instructions for how to make one. Throughout the week the children will be taking part in a range of fun pirate based activities to help them relax after their assessments. Throughout the week we will also be looking at Sea Shanties and learning our favourite to perform in our pirate <b>assembly on Friday</b> .
Pirate Fair (9 <sup>th</sup> June).	To help raise money for our beach school trip in July, Year 2 will be having a pirate fundraiser on Friday 9 <sup>th</sup> June. The children will be planning and making games for the fair during the week and then the school will be invited to play the games for a bargain price of 50p after school. To make the day even more special the children are invited to come dressed in their best pirate outfits. The children will be taking part in pirate workshops throughout the morning and learning more about the history of pirates and what it was like to be one. We will need some parents to help supervise the stalls so please volunteer if you would like to help.
Have a fabulous half term and we look forward to seeing you after the break.	

Best wishes,

Miss Kennedy and Mrs Mullaney
