

The Heights Primary School

Key Stage One Parent Planner: Summer 1 Week 4

Dear Parents/Carers

This term our theme is: **Amazing Animals**

This week we will be:

English	<p>In English this week we will continue to focus on story language. The children will create a story map of The Enormous Turnip but will use their own ideas to change the characters. They will then write out their alternative fairy tale.</p> <p>We are also focussing on sentence construction to ensure all children are attempting to consistently use capital letters and full stops accurately.</p>
Mathematics	<p>In Maths this week we will be focussing on position and direction and the children will use the Bee-Bots to make half, quarter, 3 quarter and whole turns. After practising this skill they will rotate pictures too.</p> <p>We will also focus on using 100 squares to add 10 to any given number.</p>
Topic	<p>The farm is visiting on Thursday (and we are all very excited). The children will have a hands on experience with a range of animals. We will discuss which groups each of the farm animals belongs to and will continue to work on this when we return to our classroom.</p> <p>In music this week we are going to use our brand new Boomwhackers.</p> <p>We will use the desktop computers to type sentences.</p>

The Year 1 Team ☺
