

## The Heights Primary School

### Key Stage One Parent Planner: Summer 1 Week 5

Dear Parents/Carers

This term our theme is: **Amazing Animals**

This week we will be:

English	This week we will be completing assessments in reading, spelling and grammar, punctuation and vocabulary. The children will also be writing animal riddles and researching an animal to complete a non-chronological report.
Mathematics	The children will be completing a maths assessment this week. We will also focus on adding and subtracting using practical resources.

As it is assessment week we will be working through lots of different activities and also benchmarking the children in reading.

It has been a short but busy half-term and we hope the children all have a lovely break next week and will then be ready for our final term in Year 1! We have lots of fun things planned.

We will send out spellings as usual and the children will be tested when they return on Tuesday 6<sup>th</sup> June.

The Year 1 Team ☺
