

The Heights Primary School  
Year 2 Parent Planner: Summer 2 Week 1

Dear Parents/Carers

This term our theme is *Pirates*.

This week we will be:

English	The children will be starting off the week by writing a recount of the half term. Later in the week we will be researching animals and writing an independent non-chronological report about their chosen animal.
Topic	This week we will be designing and making pirate games for our pirate fair <b>this Friday</b> . On the day itself the children will be taking part in pirate workshops throughout the morning and learning more about the history of pirates and what it was like to be one. The children are invited to dress in their best pirate outfits to make the day even more special. We are also looking for parent volunteers to help us man the stalls after school for the fair itself. Please let the year 2 team know if you can help.
Science	This week in Science we will be finishing off our plant topic and learning about bulbs.

The children in Year 2 have now started the Cracking Times Tables scheme. Every Monday they will have three minutes to answer times table questions. Each child should know exactly which tables they need to practise at home during the week. Help at home with this will enable them to be successful.

Please support your child by encouraging them to read at home every night. It is extremely important to ask them lots of questions and ensure they understand the meanings of unfamiliar words. Please record this in their record books that are collected in every day.

If you have any questions about how to help your child with their learning please see your child's teacher.

Best wishes,

Miss Kennedy and Mrs Mullaney
