

The Heights Primary School
Year 2 Parent Planner: Summer 2 Week 4

Dear Parents/Carers

This term our theme is *Pirates*.

This week we will be:

| | |
|---------|---|
| English | This week we are going to be planning and writing our own pirate stories for pop up books that we will be making over the next two weeks. If you have any pop up books that you have at home, please feel free to bring them in for the children to share next week. |
| Maths | This week we will be making and creating our own bar graph data about our favourite events in sports day. We will collect the data using tally charts and then make bar graphs to present it. |
| Topic | This week in the afternoons we will be learning how to make pop-up books including how to make the parts 3D. On Tuesday afternoon we will be taking the children outside as part of our plants topic to observe and draw plants in our local environment. |
| Trip | Our trip to the beach is on Monday 3 rd July. Please ensure that you have filled in your child's permission slip as they will not be able to go without it. Don't forget to pack your child's wellies and waterproof jacket incase it rains. It should be a fantastic day and we will take lots of photos to show you all on our return. |

The children in Year 2 have now started the Cracking Times Tables scheme. Every Monday they will have three minutes to answer times table questions. Each child should know exactly which tables they need to practise at home during the week. Help at home with this will enable them to be successful.

Please support your child by encouraging them to read at home every night. It is extremely important to ask them lots of questions and ensure they understand the meanings of unfamiliar words. Please record this in their record books that are collected in every day. If you have any questions about how to help your child with their learning please see your child's teacher.

Best wishes,

Miss Kennedy and Mrs Mullaney
