

## The Heights Primary School

### Year One Parent Planner: Summer 2 Week 6

Dear Parents/Carers

This term our theme is: **Amazing Animals**

This week we will be:

English	This week we will be completing some research on animals from Marwell Zoo that we will be making posters about over the next few weeks. On Friday we will be writing about our exciting (hopefully dry) trip to Marwell Zoo.
Mathematics	In Maths we will be looking at shape patterns, continuing repeating patterns and creating our own for friends to complete. We will then apply what we have learnt about shape patterns to number patterns and learn how to work out what comes next in the sequence. On Friday we will be doing some problem solving about our trip to the zoo.
Topic	In Science we will be learning about the five senses and sorting different experiences by which sense we think is involved. We will be continuing our work with the Boomwhackers in Music and hopefully children will be able to perform some compositions as a group this week. Following on from our research on an animal from Marwell Zoo the children will be using platercine to make a model of their animal.

Marwell Zoo - Thursday 8<sup>th</sup> June - Please refer to your ParentMail for detailed information about our trip. We will be leaving school promptly at 9.15am so please ensure your child arrives to school on time before 9am. Children need: to wear their PE kits (which we will send home on Wednesday after school), two water bottles, a raincoat, a sun hat (We're keeping everything crossed), to wear sunscreen and a packed lunch (in a disposable bag).

We would like to thank the Year 1 Parent Reps for their efforts in raising money for our trip with the ice cream sale. We would really appreciate your voluntary contributions of £17.50 per child. Please also ensure you give us your permission for your child to join the trip by Thursday. We don't want to leave anyone behind.

Thank you,

Miss P-F and Miss Hiles
