

## The Heights Primary School

### Year One Parent Planner: Summer 2 Week 4

Dear Parents/Carers

This term our theme is: **Amazing Animals**

This week we will be:

English	This week we will be focussing on spelling, punctuation and grammar. We will be learning how to use commas to separate items in a list, adding suffixes to words and using exclamation marks to write commands.
Mathematics	In Maths we will be learning number bonds to one hundred and telling the time for quarter past and quarter to the hour.
Topic	In Science we will be labelling the human body using the words that we can remember. We will be using what we learnt last week about the Scratch Jr App in Computing this week and developing our coding skills further. In Art we will continue to make the models of our animals using plastercine and create our animal habitats. In PE we will be learning the final skills we need for Sports Day on Friday.

PE at home - Please could everyone do some skipping (without a rope) on the way or way home from school this week.

English at home - Please could you practise writing the days of the week using a capital letter at the start.

Sports Day - Friday 30<sup>th</sup> June - We're looking forward to a fun filled day and can't wait to find out which house will be victorious.

Thank you,

Miss P-F and Miss Hiles
