

The Heights Primary School  
Year 2 Parent Planner: Summer 2 Week 7

Dear Parents/Carers

This term our theme is *Pirates*

This week we will be:

Last week of term:	This week year 2 will be doing many fun activities moving on and transitioning into year 3. We will be making 'all about me' booklets to pass to our new teacher as well as painting our own portraits. Later in the week we will be creating bunting with our targets for the next year on.
Pirate Assembly	Don't forget that the children will be hosting an assembly on Tuesday at 9:30. The children will be performing pirate songs that they have learnt and showcasing the fabulous work they have been doing in their recorder lessons. The children have been asked to come dressed in their pirate outfits but bring in their school clothes to get changed into afterwards.
Water day	On Thursday the children will be taking part in a water fight to end all water fights! We would ask that the children come dressed in their normal school clothes but bring a carrier bag with spare clothes in to change into for the afternoon. The children will also need to bring a towel to dry themselves with afterwards.
Taking home work	Over the next week we will be sending work home with the children that they have done in the year. We would like each child to bring in a named carrier bag so that we can easily hand work out.
Thank you	Mrs Mullaney and I would like to thank you for all the support you have given us over the past year. We especially want to thank parents who have helped on trips and have helped with various projects. You have been amazing. It has been a pleasure to teach your wonderful children and we wish you all the best for next year. Have a wonderful summer.

Best wishes,

Miss Kennedy and Mrs Mullaney
