This term our theme is:

Super Structures

This week we will be:

Hus week we wat he.	
English	This week we will be looking at grammar and spelling activities. We will be creating a spelling board game and playing some conjunction games.
Mathematics	In maths we will be exploring angles and turns as well as looking at the properties of 3D shapes.
Topic	Our aim for the week is to finish our wind turbines project – fingers crossed we manage to get them turning!

We are happy to welcome Rachel and her family to our class and into the Heights family. She joined at the end of last week and we hope she that enjoys the last few days of the summer term with us!

Thank you for your support with our art exhibition last week. The children thoroughly enjoyed the work they produced and we're sure you'll agree that it looked amazing!

This week we have another busy week. On Tuesday there is a choir performance to parents from 9.30am - 10.30am. Thursday is 'Moving Up Day' where the children will meet the new Y4 teacher, Mrs Thomas. She has asked that all children bring in a small object that represents something about them on Thursday morning. Friday is 'Dressing Up Day' so we are looking forward to seeing lots of exciting outlits!

Best wishes,

Mrs Sanigar and Mrs Wells
