

The Heights Primary School
Key Stage Two Parent Planner: Summer 2 Week 7

Dear Parents/Carers,

This term our theme is: **Super Structures**

This week we will be:

English	This final week, we will ask the children to show their favourite memories of the year in the form of a poster and verbal presentation!
Mathematics	In maths we will solve a mystery by following various clues. We will also play some maths games.
Topic	The wind turbines will be finished on Monday and we will be testing them to see if they work!

We can't believe that we are writing our final week Parent Planner! It doesn't feel long since we wrote the first one. We are hoping this week will be lots of fun for everyone, especially the children! We will also be saying a fond farewell to **Rishona and her family**. You will be greatly missed however we wish you every success on your new adventure to the Netherlands. Please make sure that you stay in touch!

There are a couple of reminders for this week. Firstly, the children will be attending a **cricket tournament** at the University of Reading on **Wednesday**. They will need to come into school in their **PE kits and trainers, with a hat, lightweight coat, water bottle and packed lunch**. Please also make sure they have **suncream** applied.

Thursday is water day! Please make sure your children have their PE kit and a towel as they will be getting wet! The PTFA will be selling ice creams after school to help replenish energy! Also, we hope to play lots of **board games on Thursday morning** so please try and remember to bring one in!

Finally, we are having an **end of year assembly** on **Friday morning** at **9.30am** and **school finishes at 1.30pm**.

We would like to say a huge thank you to all parents for making our first year at the Heights so enjoyable. We have thoroughly enjoyed getting to know and teaching all of your children and we wish you all a super, fun filled holiday!

Best wishes,

Mrs Sanigar and Mrs Wells
