

The Heights Primary School

Year One Parent Planner: Summer 2 Week 7

Dear Parents/Carers

This term our theme is: **Amazing Animals**

This week we will be:

English	The children will complete their final independent writing task for Year 1. We will then be revisiting the different forms of punctuation we have learned about and used over the year and writing super sentences using the Year 1 common exception words.
Mathematics	This week we will be solving problems and revisiting our work on fractions, number and the number system and telling the time.
Topic	We will revisit the fun facts we have learned during our Amazing Animals topic.

Over the summer holidays: We want the children to have a very well earned break over the summer holidays, but there are just a couple of tiny things that would be great for the children to do...

Please continue to encourage your child to read. There is a super Library challenge happening over the summer, with incentives and prizes galore. We would also love for the children to continue to practise their pre-cursive writing.

We would like to say a HUGE and heartfelt THANK YOU to you all for all of your support this year. We have loved teaching the children and will miss them all lots. We wish them lots of luck in Year 2!

Thank you,
Miss P-F and Miss Hiles
