

The Heights Primary School
Year 2 Parent Planner: Autumn 1 Week 5

Dear Parents/Carers,

This term our theme is **Dragons**.

English	This week the punctuation police are in town! They are looking for criminal offences with our capital letters and full stops. Over the next week we will be recapping how and when to use capital letters and full stops and correcting work which hasn't shown any. Later in the week we will be learning about proper nouns and when we need capital letters for them.
Mathematics	In maths this week we are learning how to add a one digit number to a 2 digit number. We will start by doing number sentences on a bead string before moving onto doing it on a number track (similar to number line). Later in the week we will be learning to solve problems involving length and quantity.
Topic	This week in Topic we will be starting to look at different habitats from around the world and identify some animals that have adapted to survive to their habitat.
Art	In art we will be sketching and labelling a hydra dragon to go with our non-chronological report for professor Kent.

The children in Year 2 have now started the Cracking Times Tables scheme. Every Monday they will have three minutes to answer times table questions. Each child should know exactly which tables they need to practise at home during the week. Help at home with this will enable them to be successful.

Please support your child by encouraging them to read at home every night. It is extremely important to ask them lots of questions and ensure they understand the meanings of unfamiliar words. Please record this in their record books that are collected in every day.

If you have any questions about how to help your child with their learning please see your child's teacher.

Best wishes,

Mrs Kennedy and Mrs Bentley.
