

The Heights Primary School  
Year Three Parent Planner: Autumn 1 Week 6

Dear Parents/Carers,

This term our theme is: **Fantastic Pharaohs**

This week we will be:

English	This week, we will have a grammar and assessment focus. We will be learning how to use inverted commas to show direct speech and revising what a noun, verb, adjective and adverb is. The children will also complete grammar and spelling assessments.
Mathematics	In Maths, we will have a focus on times tables. We will be asking the children to design their own board game to help with learning times tables. We will also be assessing the children on place value and addition.
Topic	In Topic work we will be finishing our Ancient Egyptian headdresses and jewellery. They are looking fabulous so far!

We would like to thank you for your support listening to your child read and helping them to learn their spellings and times tables.

Please could violins be brought into school on a **Wednesday morning** and taken home at the end of the day as we have limited storage in our Year 3 classrooms. Thank you for your support with this.

We understand that some children are finding the gum shields a little uncomfortable or a strange flavour. It may help to soak the gum shield in a child friendly mouthwash so that it absorbs the flavour of the mouthwash.

We look forward to welcoming you into school on **Monday** afternoon for our first 'Watch us at work' session (2.30 - 3.10pm). If you have any questions, don't hesitate to speak with us on the door in the morning, at pick up at the end of the day or by email via the school office.

Best wishes,

Mrs Mullaney, Mrs Sanigar and Mrs Wells
