

The Heights Primary School

Year One Parent Planner: Autumn 1 Week 6

Dear Parents/Carers

This term our theme is: **The Great Fire**

This week we will be:

English	This week we will be completing lots of assessments with the children. We will be looking at our Marvellous Mistakes and learning how to use purple fix it pens to make corrections.
Mathematics	In Maths we will be learning about 2D shapes and their properties. We will make some shape monsters too. We will also be completing our Maths Assessment.
Topic	On Monday we are very excited about the visitors coming to watch us learn! In Music we will be continuing to learn songs about The Great Fire of London. In PSHE we will be completing our final sessions for this half term with Jigsaw Jack.

Please continue to listen to your child read every day. Remember to ask them questions about what they have read to improve their comprehension and inference. E.g. Where did Max go? Why did Jack run home?

Spellings: Please practise them with your child in lots of different ways so that they know them by next Monday when they will be tested. Please do not write in the Spelling Books, they are just for the spelling lists.

We hope that your children have had a fantastic first half term in Year 1! Have a wonderful half term.

If you would like to follow your child's class on Twitter please search for our usernames.

IVH - @Miss_Hiles

IAP - @MrsPowellIAP

Best wishes,

The Year 1 Team
