

The Heights Primary School
Year Three Parent Planner: Autumn 2 Week 1

Dear Parents/Carers,

This term our theme is: **Fantastic Pharaohs**

This week we will be:

English	This week we will receive an exciting letter from some time travellers that need our help! Over the next few weeks we will be writing them some non-chronological reports. We will compile all the information we already know, researching new topics and revising the features of non-chronological reports.
Mathematics	This week we are exploring the 4 and 8 times tables. We will be using a range of strategies to help us become familiar with the 4 times table. We will be working out all of the multiples of 4 up to 100. We will also solve word problems involving multiplication before moving on to tackle the 8 times tables at the end of the week.
Topic	During our Topic work this week we will be discovering all about the Egyptian pyramids. We will learn who built them and what are they used for. We will also use our computing lesson to supplement this learning by carrying out our own research.

We would like to thank you for your support listening to your child read and helping them to learn their spellings and times tables.

Please could violins be brought into school on a **Wednesday morning** and taken home at the end of the day as we have limited storage in our Year 3 classrooms. Thank you for your support with this.

If you have any questions, don't hesitate to speak with us on the door in the morning, at pick up at the end of the day or by email via the school office.

Best wishes,

Mrs Mullaney, Mrs Sanigar and Mrs Wells
