Literacy	Orally blend, segment and write onomatopoeias related to fireworks night eg. pop, fizz. Read and spell common exception words (set 1). Write a poster safety caption for bonfire night.
Mathematics	Money - sort and name coins, make simple money totals to pay for items, calculate total of a set of coins.
Expressive Arts and Design	Firework artwork eg. chalk on black paper, spray/splatter painting, junk model fireworks
Understanding the World	Explore and talk how and why we celebrate Bonfire Night

Please support your child by practising the sounds in their phonics book and helping them to explore and read their school reading book every day for 5-10 minutes using the guide in their Reading communication diary.

You can also help your child with their learning this week by..... *Giving them a collection of small change (1p, 2p, 5p,) encourage sorting, naming of coins. A further challenge would be calculating/making simple totals using 1p coins or 1p and 2p coins.*

### **Parent and child challenge for the term!**

*Can you help your child to ... find a way transport an acorn across a table? Any photos of your attempts would be welcomed!*

If you have any questions about how to help your child with their learning please see your child's teacher. If you would like to become more involved in school life please see the PTA website: and/or speak to your child's teacher about any skills that you have that could be used in school. We are always looking at ways to include our talented parent's in school life.
