

## The Heights Primary School

### Year One Parent Planner: Autumn 2 Week 3

Dear Parents/Carers

This term our theme is: **The Great Fire**

This week we will be:

English	This week we will be learning to recite a poem by John Foster off by heart. The children will learn actions to 'The School Kid's Rap' to help them remember the words. After a lot of practise this week we're hoping that we may be performance ready for next week's assembly. If you would like to help your child practise at home here is the link where you will find the poem read by the poet John Foster. <a href="https://www.poetryarchive.org/poem/schoolkids%E2%80%99rap">https://www.poetryarchive.org/poem/schoolkids%E2%80%99rap</a>
Mathematics	In Maths we will be learning about position and direction. The children will be learning how to make $\frac{1}{4}$ , $\frac{1}{2}$ , $\frac{3}{4}$ and whole turns. We will be pretending to be robots, moving beebots and turning objects.
Topic	In RE, we will be discussing different things we found on our trip to St Anne's Church. In Geography, we will be identifying the human features of the area surrounding our school and labelling a map. In Science we will be comparing and grouping materials based on their properties.

Please continue to listen to your child read every day.

Spellings- Please be aware that your child is asked to write their spellings on a Monday morning so remember to practise them in lots of different ways.

Maths at home: Please can you practise counting from 0-100 and back from 100-0 with your children.

Thank you for attending the Parent Consultations last week. We really enjoyed sharing your child's learning with you and letting you know some ways you could help them at home.

If you haven't followed your child's class on Twitter yet please search for our usernames so that you can keep up to date with what we're learning at school.

IVH - @Miss\_Hiles IAP - @MrsPowellIAP

Best wishes,

The Year 1 Team
