

The Heights Primary School  
Year 4 Parent Planner: Autumn 2 Week 3

Dear Parents/Carers

This week our themes are:  
The Mayans / Anti-bullying / UK Parliament

English	Linking to our History (Mayans) and R.E. (creation stories) topics the children will be reading The Mayan Creation Story. They will investigate the story by sequencing pictures and by summarising the story in 6 key sentences which they will then add actions to. Towards the end of the week the children will plan and begin to write their own versions of The Mayan Creation Story which they will then complete and publish next week.
Maths	The children will complete their learning on addition and subtraction by using RUCSAC to solve word problems. They will then begin to revise the link between multiplication and division. Towards the end of the week the children will be multiplying 3-digit and single digit numbers using the grid method.
Topic	Our Mayan focus this week will be on religion and Gods. The children will be researching religious rituals and practices and then producing a mini presentation to share with the class. They will then create a facts sheet on Mayan Gods. Our PSHE topic this half term is Celebrating Differences. However, this week is anti-bullying week and also UK parliament week so we will be having extra PSHE time to focus on both of these extremely important topics. The children will continue to build Lego by following instructions on the iPad. They will then link their Milo to the iPad and make him move by giving him instructions.

It was great to see so many of you at parents evening.

Mrs Thomas
