

The Heights Primary School
Year Three Parent Planner: Autumn 2 Week 4

Dear Parents/Carers,

This term our theme is: **Fantastic Pharaohs**

This week we will be:

English	<p>This week we will be demonstrating our creativity by planning and writing our own stories using the Pobble stimulus of two aging superheroes! The adults in Year 3 can't wait to read what the children come up with.</p> <p>Towards the end of the week we will learn to extend sentences using subordinating clauses.</p>
Mathematics	<p>This week in maths we will explore the features of shape by identifying parallel and perpendicular lines. We will identify right angles in our school environment and in shapes.</p> <p>Since we have an inset day on Friday of this week, we will be taking our Cracking Times Tables on Thursday.</p>
Topic	<p>In Science we will continue to explore our new topic of Animals including humans. We will also be designing Egyptian Death Masks and learning about what Ancient Egyptians ate.</p>

We would like to thank you for your support listening to your child read and helping them to learn their spellings and times tables.

Please could violins be brought into school on a **Wednesday morning** and taken home at the end of the day as we have limited storage in our Year 3 classrooms. Thank you for your support with this.

If you have any questions, don't hesitate to speak with us on the door in the morning, at pick up at the end of the day or by email via the school office.

Best wishes,

Mrs Mullaney, Mrs Sanigar and Mrs Wells
