

# The Heights Primary School

## Reception Parent Planner: Autumn 2 Week 5

Dear Parents/Carers

This term our theme is: **All About Me do**

This week our theme is: **jobs people do**

Our sounds/tricky words this week are: /wh/qu/le/ and the words: he, she, we, me, be

Our numbers this week are: **11-20**

This week we will be covering the following in our seven areas of learning:

Communication and Language	Talk about our ideas regarding jobs we think we would like to do when we grow up. Listen and respond to others' ideas. Talk about jobs our parents/relatives do
Personal Social and Emotional Development	What to do if you don't like how someone else is playing/behaving towards you or if they are saying unkind words. What to do if a friend asks you to do something unkind to another person
Physical Development	Multi-skills PE session. Dough Disco and Finger Gym, using our pincer grip to pick up small items and place them accurately. Letter/number formation handwriting practise
Literacy	Write a description of a job you would like to do when you grow up. Write about the occupation of a family member
Mathematics	Understand and use positional language eg. in, on, under, behind, in front of, next to, in between. Recognise and order numbers 11-20
Expressive Arts and Design	Choose and combine media and techniques in order to decorate a body outline showing a uniform for an occupation
Understanding the World	Find out about different occupations and think about what they might want to do as adults

Please support your child by practising the sounds in their phonics book, their blending card and helping them to explore and read their school reading book every day for 5-10 minutes using the guide in their Reading communication diary.

You can also help your child with their learning this week by..... *Talking about the occupations of adults they know eg. parents, grandparents, aunts, uncles, friends.*

### **Parent and child challenge for the term!**

*Can you help your child to ... find a way transport an acorn across a table? Any photos of your attempts would be welcomed!*

If you have any questions about how to help your child with their learning please see your child's teacher. If you would like to become more involved in school life please see the PTA website: and/or speak to your child's teacher about any skills that you have that could be used in school. We are always looking at ways to include our talented parent's in school life.

Best wishes

The Reception Team
