

## The Heights Primary School

### Year One Parent Planner: Autumn 2 Week 6

Dear Parents/Carers

This term our theme is: **The Great Fire**

This week we will be:

English	This week we will be starting to complete our Phonics Assessments and Reading Benchmarking with the children. We will also be continuing to learn to recite the poem 'Twas the night before Christmas off by heart. Later on in the week we will be learning about the Christmas Story and learning to sequence what happens.
Mathematics	In Maths this week we will be learning about volume and capacity. We will be comparing different containers and their capacities.
Topic	In RE, we will be finding out about the occasions that are special to Christians.

**PE Kit** - Please can you make sure that your child has the following named items in their PE kit; long warm jogging bottoms, PE socks, PE T-shirt, PE jumper and trainers. If your child's trainers get muddy please could you get rid of as much mud as possible before your child brings them back into school.

**Christmas Concert** - Thank you for sending in your child's Christmas Concert costume today. If you haven't sent it in, please can you bring it in today so that the children can be ready for their dress rehearsal to the whole school tomorrow morning. If your child has any lines to learn for the Christmas Concert please could you practise these at home.

Please can all children (already dressed in their outfits) be at St Andrew's Church on Tuesday and Wednesday at 5.00pm so that we can get children ready for the Christmas Concert. We are really looking forward to sharing it with you all!

Best wishes,

The Year 1 Team
