

The Heights Primary School
Year 3 Parent Planner: Spring 1 Week 3

Dear Parents/Carers,

This term our theme is: **Detectives**

This week we will be:

English	This week, we will continue to look at the book Stone Age Boy. We will be story mapping and boxing up a hunt and party from Boy's perspective. We will use powerful language and imagery to create our own piece of descriptive writing.
Mathematics	In maths we will be adding and subtracting pairs of two digit numbers using different strategies. We will be subtracting multiples of 10 and near multiples and using counting up to find the difference.
Topic	We are continuing with our Stone Age topic and will be discovering how the Stone Age got its name and thinking about survival in the Stone Age. We will be looking at the challenges early man faced and discovering how tools changed and developed to enable successful hunting. In art we will be sketching animals using chalks and charcoal to blend and shade.

Violin lessons continue on **Wednesday 17th January**. Please remember to bring violins into school. Swimming lessons continue on Fridays so swimming kit will be needed. Lastly, the field is still very muddy at the moment so all children need a **pair of wellies** in school this term please.

Please ensure your child has the correct PE kit in school following the ParentMail sent out by Mrs Edwards last week. If your child does not have the correct kit, they will not be able to participate in the lessons.

If you have any questions, please don't hesitate to pop in and see us.

Best wishes,

Ms Ford, Mrs Sanigar and Mrs Wells
