

January 2018

Dear Year 2 Parents,

We trust that you had a wonderful Christmas holiday with your families and have enjoyed the break. It is incredible to think that time has passed so quickly and that we are about to start our Spring Term. What an exciting term it will be!

This term our topic is 'Chocolate'. We are very excited about the fun learning opportunities that Year 2 will be having this term. We will be visited by the Ministry of Chocolate this week and we will be learning all about the history of chocolate. Later in the term we will be making our own marvellous sweet creations out of papier mache based on the book 'Charlie and the Chocolate Factory'. As artists, we will be looking at the work of Andy Warhol to design a pop art inspired chocolate wrapper.

We will be embracing a creative curriculum in order to make learning in Year 2 purposeful and fun. You will find lots more information about our learning on the Year 2 topic web.

Our PE days are remaining the same this term so please ensure your child has the appropriate kit on Monday and Thursday. On Monday Mrs Bentley will be teaching the children gymnastics in the hall and on Thursday the children will be taught by Mr Ellison and will be learning some football skills.

Finally, if there is ever anything that you would like to discuss with us, please feel free to speak with your child's classroom teacher before or after school. Of course, if it is a matter that requires privacy or a lengthier discussion, please make an appointment through the office.

Kindest regards,

Mrs Kennedy and Mrs Bentley
