

## The Heights Primary School

### Year One Parent Planner: Spring 1 Week 6

Dear Parents/Carers

This term our theme is: **Spectacular Space**

During Assessment Week we will be:

English	We will be completing assessments for Spelling, Punctuation and Grammar, Reading Comprehension and Writing. Throughout the week we will also be assessing the children's Reading by completing our Benchmarking assessments. The children will be creating a Space poster using non-fiction books to practise what we have learnt about non-fiction books. We will also be doing an independent writing activity where the children will be asked to write a story.
Mathematics	We will be completing assessments this week. We will be learning about the properties of 3D shape and applying our division and multiplication knowledge.
Topic	In Art, the children will be continuing to create their space rocket from their design. In our Science lesson this week we will be sorting and comparing deciduous and evergreen trees.

**PE Kit** - We still have a few items missing in some children's PE Kits. Please make sure they have everything they need. (Long warm jogging bottoms, PE socks, PE T-shirt, PE jumper and trainers (That have as much of the mud removed as possible)

**Reading at home** - Please continue to read every day at home with your child and record this in your child's Reading Record. It's important that your children are regularly practising their comprehension, fluency and expression as well as decoding words.

**Maths at home** - Please practise counting back from 100.

**Litter Pick** - The whole school will participate in a litter pick around our local area.

**Half term Monday 12<sup>th</sup> - Friday 16<sup>th</sup> February** - We hope you have a restful break over half term and make some lovely memories with your families.

Best wishes,

The Year 1 Team
