

The Heights Primary School
Year 3 Parent Planner: Spring 1 Week 6

Dear Parents/Carers,

This term our theme is: **Detectives**

This week we will be:

English	This week we will be completing end of term assessments in spelling and grammar. We will also be independently writing the opening of a winter story demonstrating what we've learnt this term.
Mathematics	In maths this week, we will be revising telling the time to the nearest 5 minutes. We will be converting between analogue and digital times. Please practise telling the time at home as this is a key skill.
Topic	In topic we will continue to create our Stone Age jewellery using modelling clay. We will follow the designs we made last week and thread our own bone bracelets. We will be working on group cave paintings in art, using all the skills we've learnt this term to help us tell a story through our drawings.

We are really looking forward to a visit to The Earth Trust after half term which we can confirm will be taking place on Thursday 8th March. We will be sending out further details in the coming weeks via ParentMail.

As we are continuing to experience wet weather, it is imperative that **wellies are in school at all times**. We are also forecast very cold weather this week so please ensure your child has a warm coat, hat, scarf and gloves.

Swimming lessons continue on Fridays so swimming kit will be needed.

Many thanks for your continued support. We hope that you all have a restful half term break and as always, if you have any questions, please don't hesitate to pop in and see us

Best wishes,

Ms Ford, Mrs Sanigar and Mrs Wells
