Please support your child by practising the sounds in their phonics book, their blending cards and helping them to explore and read their school reading book every day for 5-10 minutes using the guide in their Reading communication diary.

You can also help your child with their learning this week by..... *giving them small sets of 1p/2p/5p coins and helping them find the total. Add in larger denomination coins if they need further challenge*

Parent and child challenge for the term!

Can you help your child to ... find a way to melt an ice cube. Test how long it takes to melt in a dish indoors. Then find some ways to make it melt faster. Can your child think of a way to record the results? Please do send in/email some photos of your child's ideas and their results. Have fun!

If you have any questions about how to help your child with their learning please see your child's teacher. If you would like to become more involved in school life please see the PTFA website: and/or speak to your child's teacher about when/how we can accommodate you. We are always looking at ways to include our parent's in school life.

Best wishes

The Reception Team

NB: We would love to send the children home with Chinese New Year "Lucky envelopes". If you can spare some small change – 1p and 2p coins so that we can put real money in these, we would be thrilled to receive it.
