

The Heights Primary School  
Year 4 Parent Planner: Spring 2 Week 5

Dear Parents/Carers

This week our themes are: **Sound and Easter**

Where does the time go? I can't believe it is the end of term already.

English	The children will be completing their Roman myths and publishing them. They will then be completing reading, writing and SPAG assessments.
Maths	The children will be ... <ul style="list-style-type: none"><li>• Converting cm and m</li><li>• Giving change from £1 in the 4CT shop</li><li>• Revising Roman Numerals</li><li>• As part of our learning on measures we have been revising time. Many children are confident on telling the time, however some children need to practice this. There are so many things to remember ... analogue, digital, 24 hour and it is not easy making links between these different elements. Any time practice that you can do at home will greatly benefit the children, thank you.</li></ul>
Topic	<p>The children will build on their learning on sound and will be making their own musical instruments that they designed. They will explore how they can change the pitch and volume of their instruments.</p> <p>In PSHE the children will be exploring the effects of alcohol.</p> <p>This week the children will also be exploring the Christian Easter story. They will investigate each part of the story through story time, video clips and pictures. They will develop their understanding of the story by acting it out, retelling the story, discussing it and answering questions.</p>

Just a reminder that you can follow us on twitter @mrsthomas4.

Have a lovely Easter.

Mrs Thomas
